Board Position seeking: Vice President

I am 10 year resident of Park Glen. My wife April, and two boys, Keaton (10) and Weston (5) enjoy the comforts of "small town living" in Park Glen. I volunteer for several organizations that serve children – to include Park Glen. April currently works, as a counselor, for Eagle Mountain Saginaw ISD. With the support and encouragement of my family I have built two strong companies. This level of dedication will transfer to help Park Glen continue to grow strong and be North Tarrant's premier neighborhood.

Name: Terry Kizer

Board Position seeking: Member at Large

As a pastor and member of this community for the last 10 years I have seen much growth. The community presents itself well. I would like to see neighbors get connected to the community. We have many exciting things in Park Glen to participate in. The community could work together for these events. Communication to promote these events would be a focus of mine. We have a great neighborhood. However the new residence may not know all that Park Glen has to offer to them and their family. Let's get the word out!
